TECHNICAL EXPERIENCE

Projects

- **SEEM Music App** (Summer 2020). Android Music player built using Kotlin, and Java. The app contains many features, and enhanced my understanding of MVC principles, and gaining more familiarity with Android Studio.
- **Portfolio Website** (September 2021). I created a portfolio website using the NextJS, and Vercel platforms.
- **To-Do List Web Application** (October 2021) I created a web application that is a Full-Stack To-Do List built using the MERN stack while adhering to CRUD principles.
- **Notebook App** (December 2021) I created a web application that enables Note taking using React and Firebase.

ADDITIONAL EXPERIENCE AND AWARDS

- **Certificate of Outstanding Achievement** (June 2017) Achieving outstanding results in the June 2017 International GCSE examinations.
- **Head Boy, Islamia English School** (2017-2019) I was responsible for organizing school prefects, who are leaders from each grade level. Planning school events, assigning duties, arranging head meetings, drafting school rules and enforcing school regulations were some of the duties assigned to me.
- **Member of Bilkent Arab Culture Society** (September 2021-Present) As a member of the Organizational team of Bilkent Arab Culture Society, I am responsible for managing, and organizing events.
